Flora Promenade Rug

By Nanimarquina

Description

Based on the work of the artist Santi Moix, the Flora Promenade Rug reinterprets the artist's flowers in a balanced composition where the flowers stand out in all their phases, from flowering to wilting. A rug full of color and energy that highlights the beauty of nature, the flaw and the acceptance of the cycle of life and death. A collection of high density and durability hand-tufted from virgin wool.
