Tones Kilim Rug

By Nanimarquina

Description

Claudia Valsells has switched from her usual medium, painting, to design the Tones Kilim Rug. Through a masterful use of color, the artist synthesizes the shapes, distributing them towards the edges and leaving a central space that draws attention, enticing users or furniture items to the center of the rug. This pastel model is handmade with Afghan wool using the ancestral hand-loomed kilim technique, which gives it a unique aged look.
