Tones Pieces Kilim Rug

By Nanimarquina

Description

Claudia Valsells has switched from her usual medium, painting, to design the Tones Pieces Kilim Rug. This collection uses color as a central tool, breaking with the traditional process of designing a rug. In the Pieces tufting model, the artist distributes the pieces in the center, composing them in a melodic way, showing us her creative process. This rug is handmade with Afghan wool using the ancestral hand-loomed kilim technique which gives it a unique aged look.
