Tones Tufted Rug By Nanimarquina

Description

Claudia Valsells has switched from her usual medium, painting, to design the Tones Tufted Rug. Through a masterful use of color, the artist synthesizes the shapes, distributing them towards the edges and leaving a central space that draws attention, enticing users or furniture items to the center of the rug. This beige model is hand-tufted, the technique that allows the artist's work to be transferred literally.

Shown in beige

Specifications
