Tones Pieces Tufting Rug

By Nanimarquina

Description

Claudia Valsells changes her usual medium, painting, to design the Tones Pieces Tufting Rug. A collection that uses color as a central tool, breaking with the traditional process of designing a rug. In the Pieces tufting model, the artist distributes the remnants in the center, composes them in a melodic way, showing us her creative process. This rug is handmade with Afghan wool using hand tufting, the technique that allows the artist's work to be literally transferred.
