Troupe Rug

By Nanimarquina

Description

Crazed, dreamlike and with a sense of humor, the Troupe Rug is a Jaime Hayon design; like a party. The artist's imaginary universe is captured perfectly. A rug that speaks of friends, children, free spirit and spontaneity. Animals of different kinds and dimensions floating in space that know no boredom. Troupe is a hand-tufted rug that allows the Hayon's work to be transferred literally.
