Wellbeing Heavy Cushion By Nanimarquina

Description

The Wellbeing Heavy Cushion is the product of a comprehensive study of local fibers, natural materials and techniques. Designed by academic and creative director Ilse Crawford, this collection based on touch, craftsmanship and respect for the environment is made without bleach or dyes. Wellbeing takes us back to the basics, to a tactile beauty that awakens the senses and connects us with our inner selves. The rigid, natural-colored cushion filled with cork is generously sized.
