## Multi-Lite Table Lamp

By Gubi

### Description

The Multi-Lite Table Lamp is an incredibly versatile addition to any desk where it rests. The light can be directed upwards, downwards or exude an asymmetrical light; the choice is yours. Two cylindrical shapes lay the foundation of the lamp and a metal ring encompasses it and anchors the two-quarter spherical shades, which ultimately completes a picture of an iconic design with multiple purposes. On/Off switch on cord.

Shown in brass / desert sage
