Pivot Portable Lamp By &Tradition

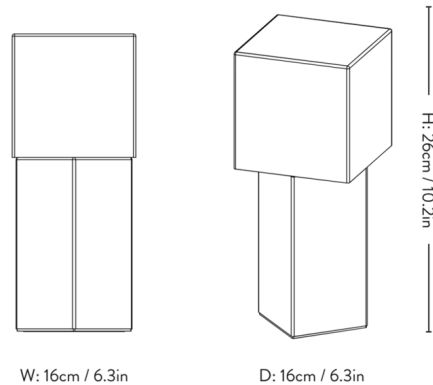

Description

The Pivot Portable Lamp is a versatile accent lamp with a minimalist, geometric aesthetic. Pivot houses an integrated LED and rechargeable battery, allowing it to be placed wherever it is needed to create the perfect ambiance. A built-in dimmer allows the lamp to be set to 100%, 70%, or 40% intensity. Pivot's cubical metal shade is placed at a 45 degree angle to the base, creating soft diffusion as light escapes to produce a warm candle-like glow.
