## Penguin Upholstered Rocking Chair By Audo Copenhagen

### Description

Originally designed by Danish architect Ib Kofod-Larsen in 1953, the Penguin Rocking Chair remains popular today as an icon of Scandinavian mid-century design. Penguin is lightweight and elegant, with a gently curved upholstered back and seat crafted from plywood. The steel frame contrasts the chair's organic curves with straight lines, while the solid wood rocker legs echo the organic nature of the design.

Shown in black / re-wool 448
