Penguin Upholstered Dining Chair

By Audo Copenhagen

Description

Originally designed by Danish architect Ib Kofod-Larsen in 1953, the Penguin Dining Chair remains popular today as an icon of Scandinavian mid-century design. Penguin is lightweight and elegant, with a gently curved upholstered back and seat crafted from plywood. The steel legs provide a stable base and contrast the chair's organic curves with straight lines.

Shown in black / re-wool 218
