Eave One Arm Deep Seat Sectional By Audo Copenhagen

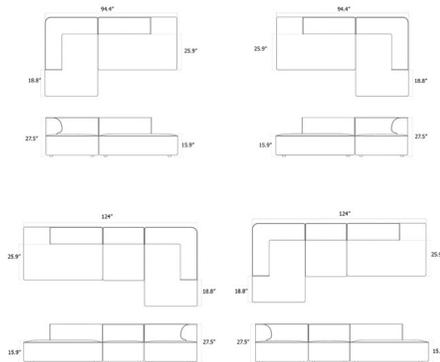

Description

The Eave One Arm Deep Seat Sectional draws inspiration for both its name and shape from eaves, the part of a roof that overhangs a building's walls. Eave's architectural frame is not only stylish but comfortable as well with a plush back, an armrest on one side and an extra deep seat. The seating angle is also ideal for offices or public spaces, enabling the user to sit while actively engaging with their work.
