Eave Two Arm Deep Seat Sofa By Audo Copenhagen

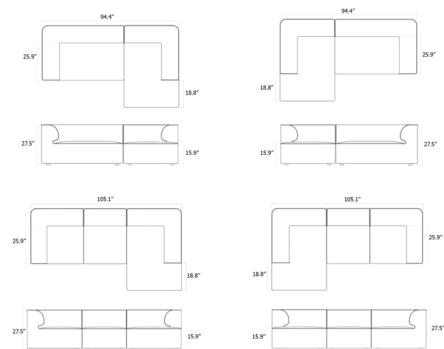

Description

The Eave Two Arm Sectional draws inspiration for both its name and shape from eaves, the part of a roof that overhangs a building's walls. Eave's architectural frame is not only stylish but comfortable as well with a plush back and arms, an extra deep seat, and a chaise lounge on one side. The seating angle is also ideal for offices or public spaces, enabling the user to sit while actively engaging with their work.
