Caged Wet Wall / Ceiling Light

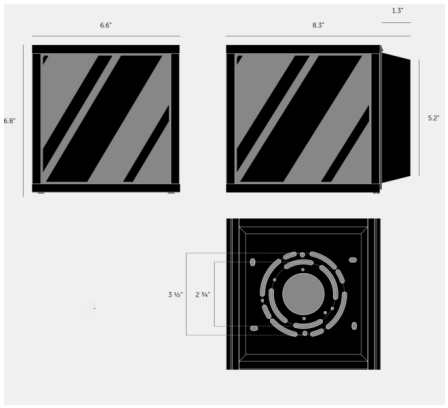

By Buster + Punch

Description

The Caged Wet Wall / Ceiling Light is a versatile fixture with a transitional design, featuring a square metal and glass cage surrounding the light source. The glass panes protect the fixture from water, making it suitable for use outdoors or in bathrooms. The fixture's socket is decorated with a cross knurled pattern and Buster + Punch's signature coin screws are left exposed for a modern industrial look. Maybe mounted on the wall or ceiling.

Shown in black / brass / white
