Tempus Wall Sconce

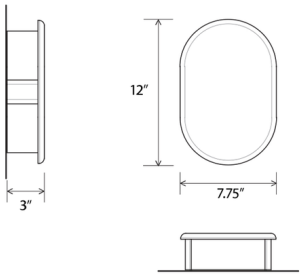

By Cerno

Description

The Tempus Wall Sconce honors the beauty of nature, showcasing a solid wood body that highlights the elegance of wood grain. Its rounded profile, rounded edges, and ample yet smooth diffused light exude warmth. The fixture glows bright from behind the wood as LED light passes through the frosted polymer diffuser. The versatile design works well with any room style from traditional to sleek and modern. 120V: TRIAC, ELV, and 0-10V dimmable. 240 and 277V: 0-10V dimmable.

Shown in dark stained walnut / frosted polymer
