Ora Wall Sconce By Cerno

Description

The Ora Wall Sconce prioritizes sleekness and structural integrity in its simple design, carrying a minimalist aesthetic suitable for a wide range of interior settings. The choice of a hardwood or metal finish provides opportunities to coordinate with room decor. Built with an efficient integrated LED module, the Ora casts plenty of light through its frosted polymer diffuser, creating a warm inviting feel in your space. TRIAC, ELV, and 0-10V dimmable.
