## Mosley Outdoor Ceiling Fan

By Hunter Fan

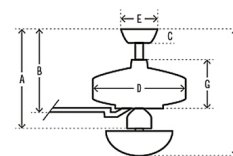

### Description

The Mosley Outdoor Ceiling Fan offers modern appeal with its sleek, flowing blades that merge smoothly together. Not only stylish, the fan is also durable and rated for damp locations, making it suitable for covered outdoor spaces such as porches and covered patios, as well as indoor spaces. Its 3-speed WhisperWind motor with SureSpeed Guarantee powers the three droop-free blades, quietly delivering high-velocity airflow for faster cooling. A wall control is included for turning the motor on/off and adjusting speed. Fan direction can be reversed using a switch on the fan. Optional accessories are sold separately.
