## Sea Point Outdoor Ceiling Fan with Light By Hunter Fan

### Description

The Sea Point Outdoor Ceiling Fan with Light features tough WeatherMax construction, withstanding harsh outdoor conditions from salty air to humid beach days and lakeside thunderstorms. Its 3-speed WhisperWind motor with SureSpeed Guarantee and five droop-free blades quietly deliver high-velocity airflow for faster cooling on those hot summer afternoons. The attached light kit includes LED bulbs, providing energy-efficient ambient illumination. Pull chains are used for turning the motor on/off, adjusting speed, and turning the light on/off. Fan direction can be reversed using a switch in the fan. Optional accessories are sold separately.
