Bartlett Ceiling Fan with Light By Hunter Fan

Description

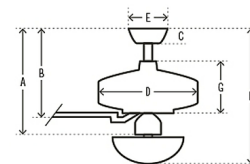

The Bartlett Ceiling Fan with Light presents a casual, contemporary look that works well in soft modern spaces. Equipped with a WhisperWind motor and SureSpeed Guarantee, the Bartlett quietly delivers high-velocity airflow for faster cooling while the light kit provides ambient illumination. A 3-speed pull chain controls the fan motor while another pull chain turns the light on or off. Fan direction can be reversed using a switch in the fan. Optional accessories are sold separately.
