Crestfield Ceiling Fan with Light and Remote

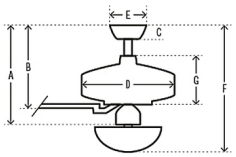

By Hunter Fan

Description

From the rustic finishes on the blades to the classic-style blade irons, subtle vintage and farmhouse details are seen throughout the Crestfield Ceiling Fan. The fan adds charming character to your interior space, and reversible blades offer flexibility for coordinating with room decor. Its 3-speed WhisperWind motor quietly delivers high-velocity airflow for faster cooling while three LED bulbs provide ambient lighting. A handheld remote control with wall cradle is included and enables motor on/off, speed adjustment, light on/off and dimming. Fan direction can be reversed using a switch on the fan. Optional accessories are sold separately.
