Brunner Flush Ceiling Fan with Light By Hunter Fan

Description

The Brunner Flush Ceiling Fan with Light presents a sleek, modern minimalist design perfect for any contemporary home. Its low profile is suitable for small spaces or areas with low ceilings. Equipped with a 3-speed WhisperWind motor, this fan quietly delivers powerful airflow while the light kit provides ambient illumination, creating a comfortable environment. With its reversible blades, its look can be tailored to complement your space. Fan power and speed is controlled by a pull chain, and another pull chain turns the light on and off. Fan direction can be reversed using a switch in the fan. Optional accessories are sold separately.
