## Techne Smart Ceiling Fan with Light

By Hunter Fan

### Description

The Techne Smart Ceiling Fan with Light presents a classic look updated with clean lines, complementing many interior design styles from traditional to modern. Its 4-speed WhisperWind motor and SureSpeed Guarantee ensure quiet operation with high air velocity for faster cooling, and four LED lights provide welcoming ambient illumination. This fan features a HunterExpress design, making installation stress-free and easier than ever with fewer steps, a DIYer's dream. With its built-in SIMPLEconnect Wi-Fi functionality, the Techne can be controlled with your smartphone or other smart device, or through a smart home system such as Amazon Alexa, Google Home, or Apple HomeKit. The fan also comes with a handheld remote control that enables fan on/off, speed adjustment, forward/reverse, light on/off and dimming. Optional accessories are sold separately.
