By Hunter Fan

Description

A blend of industrial and modern styles, the Gilrock Ceiling Fan is perfect for adding a distinctive look to your space. Its neutral finishes work well with many room designs, and reversible blades offer flexibility for coordinating with your specific decor. Equipped with a 3-speed WhisperWind motor, the Gilrock operates quietly and delivers powerful airflow to create a comfortable environment. A pull chain is used to turn the fan on or off and change speed. Fan direction can be reversed using a switch on the fan. Optional accessories are sold separately.
