Arwen Ceiling Fan with Light By Hunter Fan

Description

With its smooth, flowing silhouette and no visible screws or fasteners, the Arwen Ceiling Fan with Light gives off a sense that every element is connected and working together seamlessly. This sleek, modern fan is ideal for indoor as well as covered outdoor spaces. Equipped with a 6-speed WhisperWind DC motor and durable droop-free blades, it quietly delivers powerful airflow to create a comfortable environment, and the integrated LED module casts ambient lighting into your space. A handheld remote control is included and enables fan on/off, speed adjustment, forward/reverse, light on/off and dimming. Optional accessories are sold separately.
