Skyflow Outdoor Ceiling Fan with Light By Hunter Fan

Description

The Skyflow Outdoor Ceiling Fan is the unsung hero of beachside barbecues and sunset soirees. Designed with casual modern flair and coastal vibes, this fan elevates any outdoor space. Its 3-speed WhisperWind motor with SureSpeed Guarantee quietly delivers high-velocity airflow for faster cooling on those hot summer days, while its integrated LED module provides energy-efficient ambient lighting. Built with WeatherMax corrosion resistance, this fan holds up in harsh outdoor conditions including rain and salt air. A wall control is included and can turn the motor on/off, adjust speed, turn the light on/off and dim. Fan direction can be reversed using a switch inside the light fixture. Optional accessories are sold separately.
