Stone Wall Sconce By Il Fanale

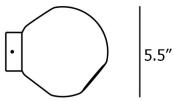

## Description

The Stone Wall Sconce was inspired by the smooth texture and irregular shape of river pebbles shaped by flowing water. The sconce's shade is meticulously crafted by master glassmakers from Murano glass with a brass powder mixed in to create swirls of color. Stone's unique natural look allows it to blend in with both modern and rustic interiors alike. Note: Includes wall canopy for US installation.

Shown in antique brass / stone glass
