Malone Narrow Multi Light Pendant By Innovations Lighting

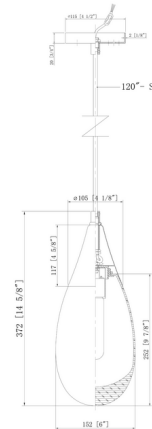

Description

The Malone Narrow Multi Light Pendant features a cluster of teardrop-shaped glass pendants with conical cast brass caps suspended from a small round canopy. This multi light pendant is perfectly suited for a foyer or stairway to provide a visual focal point with an elegant cascade of light. Each pendant includes 120 inches fabric cord, which can be cut to length as desired to best fit the space. Note: The pendants must be installed at staggered heights to avoid contact between the shades.

Shown in brushed satin nickel / striped clear
