Milan Narrow Multi Light Pendant

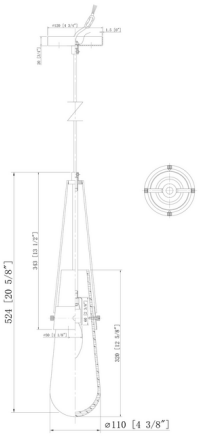

By Innovations Lighting

Description

The Milan Narrow Multi Light Pendant offers a modern interpretation of the classic teardrop pendant shape, with a glass diffuser supported by a wide metal band and tapered frame. A cluster of these pendants is supported from a single round canopy, creating a dazzling cascade of light that is sure to impress in a foyer or stairway. Note: The pendants must be installed at staggered heights to avoid contact between the shades.

Shown in brushed brass / light smoked
