Milan Linear Multi Light Pendant

By Innovations Lighting

Description

The Milan Linear Multi Light Pendant offers a modern interpretation of the classic teardrop pendant shape, with a glass diffuser supported by a wide metal band and tapered frame. A row of these pendants is supported by a rectangular canopy, creating a dazzling display of light that is sure to impress above a dining table, bar, or kitchen island. Note: Due to the weight of the fixture, the 7-Light Pendant requires additional ceiling support.
