Lady D Pendant

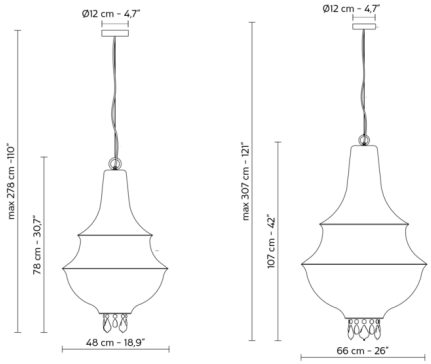

By Karman

Description

The Lady D Pendant borrows its silhouette from 19th-century Empire style chandeliers. However, Lady D adds a casual modern twist to this classic design by replacing the opulent decorations characteristic of the style with a matte fiberglass diffuser. Small crystal ornaments dangling from the bottom of the pendant add a decorative touch and serve as a callback to Lady D's elegant origins. The pendant is illuminated from within to produce a comforting, ambient glow.
