Kate Ceiling Light

By kdIn

Description

The Kate Ceiling Light's slanted shape was inspired by the hat worn by the Duchess of Cambridge for the 70th anniversary of the English jubilee. In addition to creating a stylish silhouette, the shade's 15 degree inclination diffuses the light in an unexpected way. Kate's unconventional form gives it an architectural feel that will redefine any space. Phase cut dimming. Note: Custom RAL color finishes are available on request. Contact our sales team for more information.
