Bell Portable LED Table Lamp

By Tom Dixon

Description

The Bell Portable LED Table Lamp takes its name from its dome shaped shade which showcases the beauty of its reductionist approach. Bell breaks down the classic table lamp into simple geometric forms with a polished finish that takes on the characteristics of the surrounding environment. The lamp houses an integrated LED light source with a built-in dimmer and rechargeable battery, allowing it to be placed wherever it is needed to create the perfect ambiance.

Shown in silver
