Melt Cone Fat Floor Lamp

By Tom Dixon

Description

The Melt Cone Fat Floor Lamp was designed with the idea of creating an imperfect, organic and naturalistic lighting object. Created in collaboration with FRONT, a Swedish design collective, Melt is evocative of molten glass, the interior of a melting glacier, or images of deep space. When turned on, the Copper, Gold, Silver, and Smoke shades become a translucent textured color, which is paired with a sleek conical base for a modern, sculptural look. The Opal shade offers a more traditional look and produces a warm translucent glow. Dimmer switch located on cord. Note: The Silver finished base is only available with Opal or Silver shade.
