Around The World Table Lamp By Umage

Description

The Around The World Table Lamp evokes the image of a hot-air balloon, inspired by the literary universe of 19th century author Jules Verne. The oblong shade is crafted from mouth-blown opal glass with a ridged texture to enhance its simple teardrop silhouette. The shade sits atop a slender candlestick base for a light, streamlined expression. On/off pull chain located on socket.

Shown in brushed brass / opal
