Faz Plug-In DMX LED Pot

By Vondom

Description

Effortlessly showcase your favorite flowers, herbs, vegetables and house plants with the Faz Plug-In DMX LED Pot. Made of polyethylene resin with a lightweight, faceted geometric design, this planter can be used in both indoors or outdoors settings. Faz is illuminated from within by an integrated RGBW LED, and it can also be connected to a DMX system (not included) for wireless control of multiple devices. Use this highly versatile planter to show off your green thumbs all year round. Color changing remote control is included for control of individual planter without DMX.
