Faz Plug-In LED Pot By Vondom

Description

Effortlessly showcase your favorite flowers, herbs, vegetables and house plants with the Faz Plug-In LED Pot. Made of polyethylene resin with a lightweight, faceted geometric design, this planter can be used in both indoors or outdoors settings. Faz is illuminated from within by an integrated LED, available in white or RGBW. Use this highly-versatile planter to show off your green thumbs all year round. On/off switch located on cord for white light. On/off and color changing remote control for RGBW model is included.
