Faz Portable RGBW LED Pot

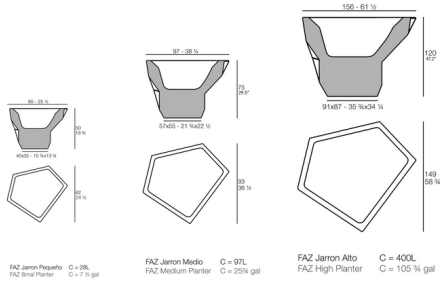

By Vondom

Description

Effortlessly showcase your favorite flowers, herbs, vegetables and house plants with the Faz Portable LED Pot. Made of polyethylene resin with a lightweight, faceted geometric design, this planter can be used in both indoors or outdoors settings. Faz is illuminated from within by an integrated RGBW LED and is powered by a built-in rechargeable battery, allowing the pot to be placed wherever its light is needed most. Use this highly-versatile planter to show off your green thumbs all year round. Color changing remote control is included. The DMX option can be connected to a DMX system (not included) for wireless control of multiple devices.
