Gatsby Modular Sectional By Vondom

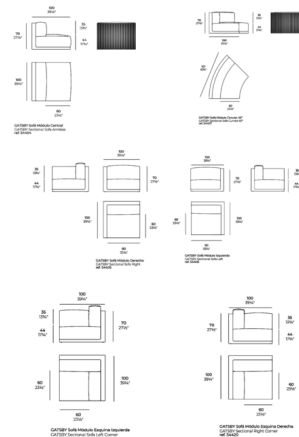

Description

The Gatsby Modular Sectional was inspired by the grandeur and sophistication of Art Deco designs with a modern update. The sides and back of the sectional pieces sport a ridged texture evocative of Art Deco light fixtures, while their blocky silhouettes display restraint more commonly seen in modern minimalism. The modular sectional is available in a variety of pieces that allow unique configurations from simple two seat sofas to sprawling sectionals. Gatsby is constructed from a polyethylene resin base with seat and back cushions upholstered in acrylic fabric, making it suitable for both indoor and outdoor use.
