Lawson Wall Sconce

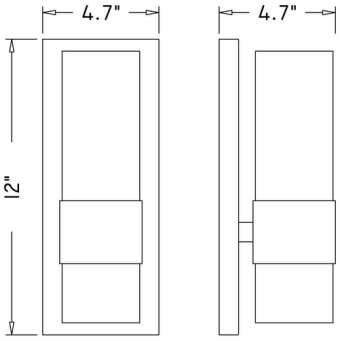

By Z-Lite

Description

Sleek and minimal, this linear modern Lawson wall sconce illuminates a bathroom vanity or powder room with its understated sophistication. A steel plate holds a lantern-like clear glass tube that presents an exposed bulb, clasped by a wide ring that gives a metallic touch and moody vibe, complementing bathroom hardware and fixtures. With its slender shape and design, this contemporary one-light wall sconce makes itself at home, flanked beside a mirror illuminating countertops and dressing areas. Can be mounted up or down.
