## Kipton Pendant By Z-Lite

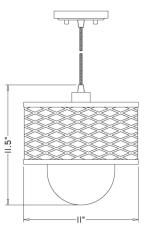

## Description

Transform kitchen islands and spacious entryway foyers into a welcoming space with this transitional single light pendant. Drop this Kipton pendant into a space, suspending it from the ceiling and allowing light to scintillate walls and floors emitted from a wire mesh cage and rounded clear glass shade that expose glowing filament bulbs. Designed in a bold finish, the wire cage presents a country inspired modern industrial touch that offers a sleek touch.

Shown in matte black / clear
