Cape Harbor Ceiling Light

By Z-Lite

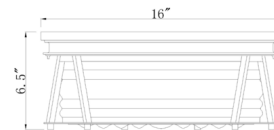

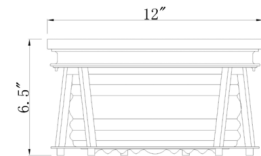

Description

Indulge in a storied historical theme as you outfit a modern space with ambient light fixtures. Aptly named from the Cape Harbor collection, this delightful Cape Harbor ceiling light offers a tribute to authentic nautical fare from coastal Cape Harbor in North America, combining Art Deco flavor with a linear concept. This light offers an elegant frame and canopy that nestles ribbed clear glass, delivering an aesthetic that moves from industrial to modern to coastal.
