Alfi Work Swivel Chair with Casters

By Emeco

Description

The Alfi Work Swivel Chair with Castors come with high back seats in recycled plastic, combined with a base in recycled aluminum in black powder coated finish with casters. The seats are made of reclaimed polypropylene mixed with wood fiber that creates a speckled texture giving the surface a warmer, more natural touch. The aluminum frame meets the demands of high traffic areas and offers easy maintenance. The Alfi Work on casters has a gas shock for seat suspension as well as an adjustable seat height and swivel base. Made in USA.

Shown in black powder coated aluminum / dark grey
