Renata Wall Light

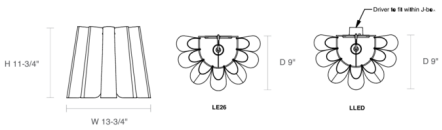

By Bruck

Description

A two-sided wood veneer section is fused with a malleable center panel for strength and flexibility to create a work of art in the Renata Wall Light. Bruck's WEP (Wood Ecological Project) collection specializes in sustainable, natural wood luminaires. Every made to order fixture's unique character is nothing short of art. WEPlight solutions help cultivate a serene environment in any space. Designed, handcrafted, and painted by master artisans with reconstructed real wood veneer from Spain and assembled in the USA. Note: LED options are 120/277V dimmable and 0-10V dimming at 10%.

Shown in yellow / ash
