## Victoria Pendant

By WEP by Bruck Lighting

### Description

The Victoria Pendant is designed, handcrafted in Argentina and assembled in the USA. A two-sided wood veneer section is fused with a malleable center panel for strength and flexibility to create a work of art. The natural recycled wood is complemented by a natural lamb's wool inner shade for superior absorption. Due to hand-crafted nature, colors vary from fixture to fixture.

Shown in black / ebony / ash
