Fues Pendant

By Visual Comfort Modern

Description

The Fues Pendant embodies a restrained aesthetic with a hand-blown glass from Italy. A wishbone frame suspends the center globe shade, while the inner fluted glass diffuser gives the appearance of an oversized filament lamp running through the fixture. Dimmable with most LED compatible ELV, Triac and 0-10V dimmers.Note: This item is made of natural brass. It is a living finish that will patina and warm with age which adds richness. If it gets an uneven patina or spots, a brass cleaner can restore the finish. Note: Not all options are available.

Shown in natural brass / clear
