Dorian Mirror

By Currey & Company

Description

With gorgeously rich surface details, the Dorian Floor Mirror is clad in oak veneers that are laser cut and laid in place like pieces being fitted into a jigsaw puzzle. The frame of diamond box patterns are flanked by black racing stripes to add depth to the piece. The fact that each element is cut and hand-applied makes this an artisanal statement, and the wood mirror's beveled edges add character to the creation. This lovely mirror was designed by Aimee Kurzner.
