Dorian Mirror

By Currey and Company

Description

With gorgeously rich surface details, the Dorian Floor Mirror is clad in oak veneers that are laser cut and laid in place like pieces being fitted into a jigsaw puzzle. The frame of diamond box patterns are flanked by black racing stripes to add depth to the piece. The fact that each element is cut and hand-applied makes this an artisanal statement, and the wood mirror's beveled edges add character to the creation. This lovely mirror was designed by Aimee Kurzner.
