Hector Sculpture
By Currey and Company

## Description

Creating the feel of flowing hair from marble is a feat, as is evidenced by the Hector Marble Bust Sculpture. Carved from white marble, the two-sided sculpture was inspired by Greek mythology, one side showing a youthful face while the reverse side presents the same person who has aged significantly. Because each side has its own dynamic personality, this is a wonderful white marble sculpture to place on an entry table or to position in a spot where it can be seen from both sides.
