Han Dynasty Bowl

By Currey and Company

Description

The Han Dynasty Bowl is poetry in motion, and not just because its asymmetrical form creates a sense of movement but because the swirling brushstrokes along its porcelain surface do as well. The tan vessel is created by a studio artist and, because it is handmade, each one will vary slightly to make each piece unique some will be brighter and, because the brush patterns are hand-painted, they will be random from piece to piece.

Shown in brown
