Jessamine Accent Table

By Currey and Company

Description

With a surface that is studded with beautifully fashioned flowers, the Jessamine Accent Table is truly an artisanal piece. Rather than apply one type of bloom, a number of floral shapes are intermingled to give the decorative table charm. The handmade character of the piece comes from the fact that each flower is created individually and applied, one-by-one, by hand. The accent table will be a lovely piece in a room.
